Additional information about the Liberty Select Basketball program:

- As there is input from the Liberty High School Basketball coaches, the Select organization is intended to be a “feeder” program for the basketball program at Liberty High School.
- Games are typically played against other Eastside area teams that also have feeder programs such as Issaquah, Bellevue, Redmond, Newport, etc.
- There is a fee required to play in the Select program. The fee is used to fund uniforms, equipment, and league and tournament dues.
- Practices begin in mid October with games beginning in early December and lasting through February.
